“*I can’t tell you how grateful I am for your EBT program. We would be missing out on the best thing Denver has to offer, your museum. My daughter is 6 and this is her favorite place to visit. It has had a huge impact on her education, and we have even met wonderful like-minded friends here. Your program is helping to remove barriers for very low income children.*"

"During this period of time we had a WWII traveling exhibit and a local connection exhibit. We reached out to many of the retirement communities in the area and had a great response from many WWII veterans. One woman came and told us she had just lost her mother, who was a WWII veteran and she used the exhibit to help her process her loss."
